  - i) Moved to approve: Leann Kaiser. Seconded: Pinar Omur-Ozbek. Approved unanimously.

**2) CHAIR ANNOUNCEMENTS & UPDATES**

- a) Meeting Minutes: Leslie Stone-Roy Dec 1: Pinar Omur-Ozbek
- b) INTO and CoGen
  - The Council for Gender Equity on the Faculty has been communicating with Jenny about issues with INTO.
  - Faculty working with INTO feel like they are not part of CSU and there are other issues with pay and benefits
  - The business component of INTO is a complicating factor
  - Since 10 of the 12 faculty members in INTO are women, CoGen may be able to help.
- c) CoFG and section C proposals
  - The committee discussed the lack of information about feedback provided to CoFG from university faculty despite the fact that the proposals originated in CoNTTF.
  - Steve Reising indicated to Jenny that the results had to be compiled and checked for validity. The issue of “validity” was confusing to members of the committee since feedback was being solicited.
  - The committee discussed unofficial feedback from various colleges. In general, the impression was that most faculty are supportive of non-tenure track faculty serving on faculty council, but some are concerned about changing representation if NITF are included.

**4) Adjourn: 1:50**
