1) CHAIR ANNOUNCEMENTS & UPDATES

- a) Meeting Minutes: Tom Conway Next Meeting: May 3, LSC 324; Minutes: Kendall Stephenson
 - b) Workload Equity Task Force
- I. Next Meeting May 3rd LSC 324: other end from where we usually meet. We will do a Doodle Pole for finding a time to meet. Workload Equity task force is meeting (from the NSF Grant) to determine how workloads should be established? Ex: five standard classes vs. 4/4 load or 2/2? How will we make rules about this and how much service we should be doing? NSF grant is particularly looking at women in STEM fields.
- II. Jenny is on the task force this spring but would like someone else from CoNTTF to take over in the fall. Depending on meeting times.

2) ACTION ITEMS / DISCUSSION

- A. Officers: Chair, Vice Chair, Webmaster. Person to receive nominations.
- i. Christine will be leaving to serve; Scott will be taking over for Christine
 - ii. Introductions for Scott
 - iii. Positions for next year: Chair, Vice Chair & Webmaster. Webmaster: non-labor intensive unless a redesign, call for nominees. Scott offers to help with webmaster. Those leaving: faculty governance rep needs to lead new vote.
 - iv. Jenny may be leaving and wants to cochair with someone to mentor them through to taking over
 - v. Send co-chair and webmaster nominations to Mary Van Buren
 - vi. Should we wait to make a new person co-chair so they can serve longer before rotating off?

- vii. By-laws require we announce chairs. We should hold a May 17th meeting to decide on co-chairs.

B. No Raises conversations?

- i. Slipped in announcement about 0% raise for next year
- ii. AAUP is putting a conversation together as what the ask should be 8.5% would be the status quo number because of inflation
- iii. Planning a rally for end of semester (to attract media attention to it)
- iv. State Classified: 3 % Bargained
- v. Grad Students: 3% fought for it
- vi. Admin. is planning for a specific salary audit for those who need it most

C. Code audit report

- i. Code audit. Jenny wants to finalize the report and asks that we look it over this week and provide our input and feedback. Link is in the chant and the code audit shared link
- ii. Link: https://colostate-my.sharepoint.com/:w/g/personal/jmorse_colostate_edu/EW9Vmkqpnq5GsnW5dtRgsEIBHJdB71BRQFYwFO58VBzAiw?e=Hqh3Ej

D. Collective Bargaining updates

- i. Last Mary heard, not good news. They want to prohibit strikes and other work stoppages. Polis has stripped the bill down. AFT should have held firm and forced Polis to not sign the bill. The bill delayed and watered down. Could disappear and not be acted on this late. Democratic led governor and house doesn't matter.

Next meeting LSC 324 in person. Last task is to write the final report for the committee. Anything we did this year as part of CoNTTF, please send to Jenny so she can make those visible.
